Welcome to the Magical World of Harry

Harry Potter™
Harry thought he was just an average boy, until he received an invitation to enroll at Hogwarts™. Now he's confronting powerful foes, and learning to be a great wizard!

Ron Weasley™
Ron is one of Harry's best friends. Ron isn't as good with magic as Harry, but he's always ready to help when there's trouble!

Hermione Granger™
Hermione is another good friend of Harry's and an excellent student. She loves to study from her book of spells!

Hagrid™
Hagrid is the Grounds Keeper at Hogwarts™. Though he looks fierce, he is actually a very gentle man and a good friend to Harry.

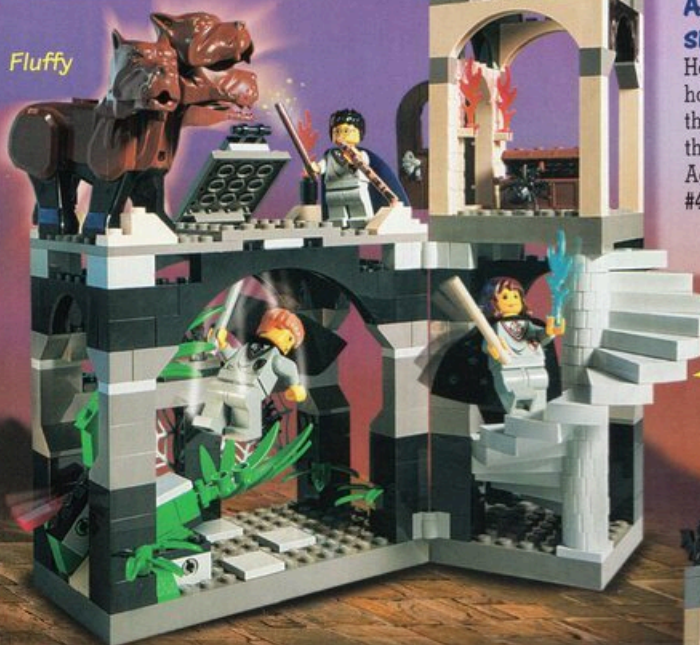

Professor Snape™
Professor Severus Snape teaches Potions and is the head of Slytherin House. He does his best to make life difficult for Harry.

Professor Albus Dumbledore™
Dumbledore is a wise and powerful wizard and the headmaster of Hogwarts School. He has been a great help to Harry.

Professor Quirrell™
Quirrell teaches Defense Against the Dark Arts at Hogwarts. He always seems very nervous and always wears a strange purple turban on his head.

HERE'S HOW IT WORKS!

Build

Think of what you want your robot to do. Then, build your robot by adding LEGO elements to the RCX microcomputer. Use the instructions provided or original ideas of your own.

Program

Use "drag-and-drop" commands to tell your robot what to do. "Big Block" commands make it easy to create complex programs. You'll be amazed by what your creation can do!

Run

Download the program from your PC to the RCX with a click of your mouse. Then, bring your robot to life! Press the "Run" button on the RCX and watch your robot carry out your commands!
